Dear Sir:

T.C. 2800

**INTRODUCTORY COMMENTS**

Applicant submits this Supplemental Amendment to replace the claim amendments made in the Amendment and Response mailed on March 2, 2004. Applicant appreciates the Examiner contacting the undersigned attorney on March 17, 2004, and providing the opportunity to submit the supplemental claim amendments presented herein canceling claims 1-19 and 35-51 as opposed to withdrawing such claims in order to avoid paying additional claim fees in connection with the new claims added in the March 2, 2004 Amendment and Response. With the exception of canceling claims 1-19 and 35-51, the other claim amendments presented herein are the same as made in the March 2, 2004 Amendment and Response. Additionally, although Applicant believes an extension of time is not needed, please consider this a petition for an extension of time under 37 C.F.R. 1.136(a) if an extension is necessary to maintain the pendency of the present application and charge the extension fee, if necessary, to Deposit Account No. 50-1419.
